Re: Requesting documentation regarding Governments proposal on dollarization

Honorable Prime-Minister Wescot-Williams,

Based on your statement in the Daily Herald and the Today regarding the intention of government to choose dollarization as the official currency for Country St. Maarten and further statements regarding the uncertainty of the Central Bank of Curacao and St. Maarten, I am hereby kindly requesting copies of all correspondence/documentation with regards to this matter.

It is of importance that said documentation be submitted in a timely manner, so that I will be given the opportunity to peruse same.

Trusting to have informed you adequately, I remain,

Sincerely,

Frans Richardson
