Subject: Request to provide information regarding "Begroting 2016"

Dear Chairwoman,

Through this medium, I would like to request of the Ministry of Finance, a breakdown on the "Kapitaaldienst" for each ministry as presented on page 17 of the "Begroting 2016".

In addition, I am also requesting and as such would like to receive a breakdown of all the consultants hired, both individually and/or per company for each ministry in its entirety. Please include the associated salaries or consulting fees and benefits (e.g. housing, transport and the like) for all.

Lastly, I would like to receive a copy of the submitted financials as per the requirements of subsidizing for the Heineken Regatta, St. Maarten Carnival Development Foundation and all other entities receiving subsidy as presented in the "Begroting 2016".

I kindly ask for these to be made available by or before Friday February 5th, 2016, in order to provide adequate preparation timing for the meeting scheduled on Monday February 8, 2016 at 10am in keeping with the "Begroting 2016".

Thank you in advance for your assistance.

Respectfully,

Ms. Tamara E. Leonard
Member of Parliament (UPP Faction)
