Ref: Home Repair

Dear Honorable Minister Miklos Giterson,

It's my assumption that your Ministry has some part or role in the reconstruction of homes and roofs, following the hurricane disaster in 2017.

Please provide me with the following as soon as possible:

- Total intake for home and roof repairs following hurricane Irma;
- Total approved applications;
- List of all organizations that received Dutch government funding for home and roof repairs;
- How many completed repairs overall? How much money was involved in this particular program thus far?
- How (quickly) will the balance of the homes be repaired?

I look forward to receiving this information soonest,

Respectfully,

Sarah A. Wescot-Williams
