

Draft Motion

Motion job secured scholarship

The Parliament of Sint Maarten in its meeting of today, March 10, 2016;

Considering:

- The policy of the Minister of Education, Culture, Youth and Sports regarding the granting of scholarships / student loan to young students;
- That in government and in the private sector the need can exist for a specific profession;
- That providing a secured job to a person with a scholarship is motivation to return to Sint Maarten if they are studying abroad;
- The fact that some employees, after many years of excellent performance, are in need of retraining and/or educating themselves in a different field, but because of their age or other factors, may not be eligible for a study financing;
- That these employees for the most part are very motivated to take on a new challenge;
- That therefore these employees will certainly get a job after completing their studies;
- That a job secured scholarship is the financing of a study and/or training for a specific need in the private and/or public sector with the security of a job at completion of the assignment;

Resolves:

- To request the Minister of Education, Culture, Youth and Sports into consideration, to develop a policy with regards to study financing, to create the possibility that a number of job secured scholarships that can be granted to persons who desire to make use of it;

and proceeds to the order of the day.
