Subject: Letter for The Council of Ministers

Honorable President;

Via you Madame President I will like to pose the following Questions to the incumbent Council of Ministers.

On October 10, 2017 Parliament was in receipt of the interim report of the work group National Recovery Plan (NRP) for the reconstruction and the recovery of Sint Maarten.

The interim report provided a preliminary analysis of the economic impact expected due to the loss of the country's main business activities and infrastructure. The main objective of the work group NRP was to take the various available damage and needs assessments into consideration and consult various stakeholders on local and international level to ensure a comprehensive plan. In other words, a roadmap for the reconstruction and recovery of Sint Maarten, for the short, mid and long term.

1. I would like to know what happened the final draft of the National Recovery Plan.
2. Moreover I would like to know what has been executed from the NRP to date.

Thanking you in advance for your kind cooperation, and looking forward to a favorable response, I remain,

Respectfully,

  
MP Claret M.M. Connor
