Dear Honorable Van Hugh C. DeWeever

"The Initiatieflandsverordening tot wijzigen van artikel 50 lid 2 van de Vergunningslandsverordening (Landsverordening aanpassing leeftijd verkoop van alcoholische drank Vergunningsverordening)" initiated by MP Silveria Jacobs is in the final stages:

- Is there any data over the past 5 years to indicate the percentage (number) of reported incidents of underage drinking (U16/U18)?
- Incidents of intoxication in schools, on the streets or in establishments.
- If there is any recent data on/ about driving under the influence of alcohol by underage persons (U16 up to 2015/ U18 from 2015-2018)
- Is there any data on underage person receiving fines for driving under the influence between 2016-2018?

If there is no data available, can research/ survey be done so that we can have these numbers.
