The undersigned Member of Parliament George Pantophlet

Is requesting in accordance with article 62 of the Constitution that the Minister of General Affairs Marcel Gumbs provide him with answers to the following questions:

1. A list of the different ministries that were filled in the last 2 years and by whom? Are they on contract or are they permanent?
2. Have all civil servants been placed in their right scales in accordance with their qualifications and function?
3. How many civil servants have left government in the last 3 years, from which departments and what were their reasons for doing so? Were they on contract or permanent?
4. Are there any pending court cases between civil servants and government? How many are there how far back do these court cases go and what are the reasons for such?
5. Is it true that although we have attained country status, there are still civil servants with an island resolution of island territory St. Maarten instead of a National resolution of country St. Maarten?

Awaiting your answers in a speedy and prompt manner,
