RE: Stranded Oil Tanker in the Caribbean sea

Hon. Prime Minister Jacobs,

Herewith, reference is made to the subject matter above. By now I am sure you are aware of the ongoing situation with the “stranded oil tanker - FSO Nabarima” in the Caribbean sea. This is a serious situation as it poses a potential risk of a massive oil spill. If you have not already done so, I would kindly advise that you contact our Regional Partners and Members of Parliament who are in that area to inquire on measures that are being taken.

Although the potential risk is still unclear, it is imperative that Sint Maarten take a proactive approach and be part of the discussions being held among the other Caribbean islands.

I look forward to your response on this matter.

Sincerely,

Rolando Brison
