Questions for Honorable Minister of VSA
Mr Omar Ottley

Before I pose my questions I in no way undermining SMMC & AMI Doctors Nurses and anyone related in regards to medical help.

1. what can be real reason for 25 deaths since August 02nd to date, is it due to lack of specialized medical professionals specifically to deal with Covid or is it the appropriate treatment that is needed and we cannot get here or perform here or. is the medication that we have access to is not working at par or is it because of not following adequate protocols and guidelines
2. Now that Honorable Minister of Finance stated that the Employment and Unemployed Support will cease from September 2021, Minister through the chairman can you imagine the turmoil this will cause if the economy continues to be on low picking pace. Do you have any plans for what and how will you balance the situation with layoffs and with current unemployed people. The number I believe will be alarming and much more than 2000 person.

Regards
Bijlani SM
