Hon. Prime Minister Jacobs,

The UP faction would like to request all documents related to the PJIA agreements, specifically the agreement with Schiphol. These documents will be handled with confidentiality by Parliament.

We request this information as it would better allow Members of Parliament to understand what is currently transpiring in the media. This information will also allow Members of Parliament to have a better understanding of what agreements are in place that both Government and Schiphol must live up to.

Respectfully,

Rolando Brison
Member of Parliament UP faction
